

Answers

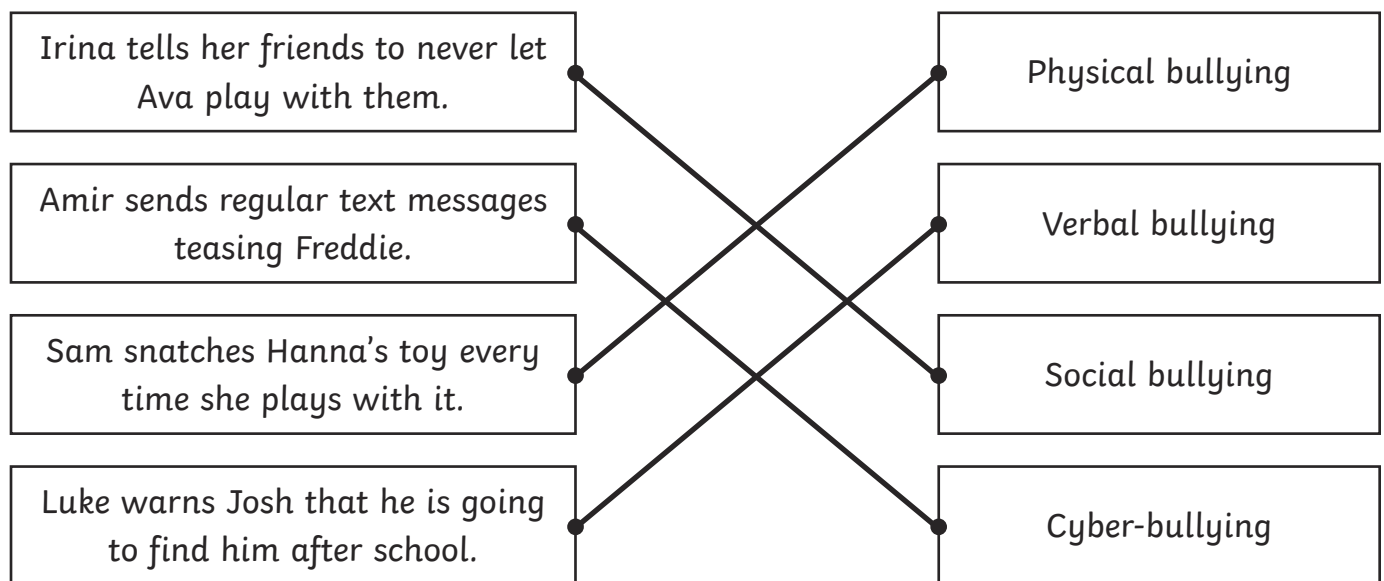

1. What is this year's Anti-Bullying Week theme? Tick one.

- ☐ 'Raise Awareness of Bullying'
- ☐ 'United Against Bullying'
- ☒ **'One Kind Word'**
- ☐ 'Working Together'

2. In which year was the first Anti-Bullying Week held?

2004

3. Draw lines to match the types of bullying to the examples.

4. What is one of the most common ways to verbally bully?

Name-calling is one of the most common ways to verbally bully.

5. What is especially concerning about cyber-bullying?

Pupils' own responses, such as: I think it is concerning that the person cyber-bullying cannot see the victim's reaction. I also think it is concerning that technology is a huge part of everyday life and most people have access to some form of technology that can be used for cyber-bullying.

6. Find and copy a phrase which means 'to stay away from school without an explanation'.

play truant

7. In what way can bullying affect a child's learning and work at school?

Pupils' own responses, such as: Bullying can affect a child's learning and work at school in a number of ways, including having an effect on concentration, reducing self-confidence and making the child not want to go to school.

8. Explain the differences between saying **something unkind to a friend** and **bullying**. Support your answer with evidence from the text.

Pupils' own responses, showing an understanding of the key points which may define bullying: Bullying is repetitive, deliberately hurtful behaviour that involves a power imbalance whereas being unkind might be unusual or a 'one-off'. It is not intentional and not repeated.

9. Nisha is worried that she is being socially bullied by a group of children at school. Someone tells her to 'just ignore them'. Do you think this advice is helpful? Support your answer with evidence from the text.

Pupils' own responses, showing an understanding that this advice is wrong and unhelpful. For example: I think this advice is unhelpful because you should never be told to ignore it or to change who you are. Bullying is always wrong and you should always tell an adult.
