

RRSA: Article 12—Respect for the views of the child

RRSA: Article 13—Freedom of expression

You've probably heard the word Parliament, but do you know what it is? It works a little bit like a school council, but for the whole of the UK!

On our school website, in the homework section (see QR code for link) you will find a link to a video that explains what our Parliament does and why it's important.

After watching the video, make a poster to highlight the important facts that you have learnt.

We would like to add some of the more informative posters into a bank of work that showcases our learning for the Rights Respecting School Award.

Completion date: Tuesday 21st September 2021
