

# Home learning task 12th June 2025

## Who was Carolus Linnaeus?

Scan the QR code to watch the short video and then complete research to find out more about Carolus Linnaeus (AKA Carl Linnaeus).

Create a fact file about his life and his scientific method of classification.

Thinking hard question: Linnaeus lived from 1707 to 1778. What problems do you think he might have had when developing his classification key compared to scientists today?

**Homework due date: Wednesday 26th June**
