

Groovy Goat Dance - igh, igh, my pants are tight

Trip trap left and trip trap right  
Wiggle your hips all through the night  
Kick your heels high, yer that's right  
Circle your horns with all your might

Now shake your tail left and shake your tail right  
Jump up and down and give yourself a fright  
Keep on grooving all through the night  
Even though your pants feels tight  
Yes keep on grooving all through the night  
Even though your pants feel tight  
Yer even though your pants feel tight
