Eye witness: a person who has seen something happen and can give a first-hand description of it.

Monarch: a sovereign head of state, especially a king, queen or emperor.

Learning Journey— Our learning this term will follow the theme 'Fire! Fire!' The children will be learning about the Great Fire of London, Samuel Pepys and King Charles II and other significant monarchs. The children will learn to compare London past and present and will develop an understanding of events beyond living memory. They will also develop their history skills by learning about significant historical events, people and places within the local area.

In geography this term the children will learn to name and locate countries and capital cities in the United Kingdom. They will also learn the names of the surrounding seas. The children will develop their use of geographical vocabulary and will be able to describe and locate key human features such as cities, towns, villages, factories, farms, houses, shops and ports.
