

# News From Mars Class

Friday 16<sup>th</sup> April 2015

It has been a fantastic start to the Summer Term in Mars Class. We have been very busy learning about our new book, *Lila and the Secret of Rain* and we have produced some lovely pieces of writing.

We have also been very creative this week designing our role play area. We have even been making some scenery to go with it, including some cotton wool clouds! We are very excited for it to all be put up!

## Notices

Just a reminder that PE is on a Wednesday afternoon and Thursday morning. Please remember kit on those days.

We have also sent home a brand new homework book. This is now replacing the previous one – please feel free to keep the old one!

We would like to say a big thank you to everyone who brought milk cartons to school! We now have more than enough and so we don't need any more, you can look forward to how creative we are going to be with them!

We also want to thank those of you who have brought in some African artefacts for our topic table. They are all beautiful and we look forward to discussing them more in our topic lessons.

*Best wishes,*

*Miss Blackburn and Mrs Passan*
