

News From Mars Class

Friday 17th July 2015

We have had a lovely week in Mars Class. In literacy we have been looking at a different version of the Three Little Pigs. It was called The Three Horrid Little Pigs. We have enjoyed talking about the similarities and differences in the stories, as well as writing letters to the different characters. We even got to create a wanted poster for the wolf!

In maths we have been learning about the tens and units in different two digit numbers. Numicon has also really helped us represent the numbers physically. Can you guess the numbers we have made?

Below are a few picture highlights of our time together:

If you have kindly let us borrow any African artefacts, please can you collect them on Monday after school, thank you!

It has been a fantastic final full week in Mars class. We look forward to our final few days together. ☺

Best wishes,

Miss Blackburn and Mrs Passan
