

News From Mars Class

Friday 3rd July 2015

It has been a very active week in Mars class. We had a fantastic time on our dress up to dance day on Monday and as a school we raised a lot of money! The teachers even did their own dance in front of the school.

We also had an exciting time on Thursday doing lots of sports science activities, we all did really well!

We all really enjoyed sports day. We all participated and tried our very best. Thank you to everybody who came to support us.

Thank you to everybody that bought cakes to sell on our class stall. We hope you enjoy them!

Best wishes,

Miss Blackburn and Mrs Passan
