

News From Mars Class

Friday 5th June 2015

It was so lovely to see everybody back at school this week for our final half term before the summer! This week we have been lucky enough to have the Year 5 children come down to do some reading with us. We have really enjoyed this time and have been learning some super reading skills from the Year 5's!

We have also been super excited to learn in our new role play area. We now have a kitchen set up and the reception children have really enjoyed re-creating what happens in the home through acting, conversations and even taking messages when they answer the phone.

In maths this week we have been learning about time. We have been looking at sequencing and putting events in chronological order. Next week we will be looking at telling the time.

This week we have also been busy writing letters to Princess Charlotte telling her all about us and our learning. We are really excited to see if we get a reply from her!

Best wishes,

Miss Blackburn and Mrs Passan
