

News From Mars Class

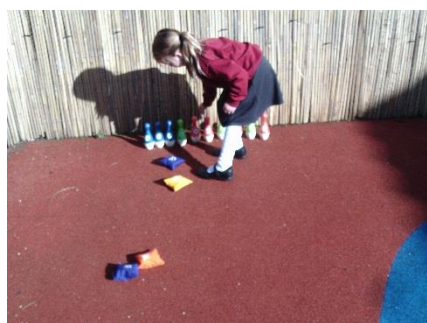

Friday 25th September 2015

We have had a fantastic week in Mars class. The year 1 children have really stepped up and looked after the reception children. Well done!

We have really enjoyed looking at our book 'The Man on the Moon (a day in life of Bob)'. As a class we pretended to blast off in to space and explore the moon. Year 1 have been busy writing about their trip to the moon whilst reception have been making their very own alien handprints!

In maths we have been investigating number and practising ordering numbers 1 – 10 and 11 – 20. Reception even joined in!

We are all looking forward to another jam packed week, enjoy your weekend!

Best wishes,

Miss Blackburn & Mrs Norman
