

Year 2 maths vocabulary

Number and place value

count in steps	place value	compare
count in multiples	estimate	

Addition and subtraction

sum	3-digit number	commutative
-----	----------------	-------------

Multiplication and division

multiplication tables	commutative	repeated addition
-----------------------	-------------	-------------------

Fractions, decimals and percentages

three quarters	unit fractions	denominator
third	non unit fractions	one whole
equivalent fractions	numerator	

Measurement (measure and length)

standard units	order	centimetre (cm)
estimate	record results	metre (m)

Measurement (height, weight and capacity)

kilogram (kg)	quarter full	litre (l)	temperature
gram (g)	three quarters	millilitres (ml)	celsius

Measurement (time)

intervals of time	quarter to/past	duration
-------------------	-----------------	----------

Measurement (money)

value	change
-------	--------

Geometry (properties of shape)

pentagon	properties	vertices
hexagon	cylinder	vertex
line of symmetry	edges	

Geometry (position and direction)

clockwise	anti-clockwise	straight line
rotation	arrange	sequences

Statistics

pictograms	category	comparing
tally chart	sorting	horizontal
block diagram	totalling	vertical
