

# Jupiter and Oak Maths Plan Week Commencing 10<sup>th</sup> January 2022.

Monday	Tuesday	Wednesday	Thursday	Friday
<p><b>LO: To be able to recognise and make equal groups.</b></p> <p>In today's session we are looking at equal groups. We are going to focus on how to recognise equal groups, and how we can make them.</p> <p>Work through the PowerPoint then complete the activities.</p> <p><u>Activity one:</u> Complete both pages of the worksheet. Choose the level you are most comfortable with.</p> <p><u>Activity two:</u> Have a go at the practical discussion worksheet.</p>	<p><b>LO: To use arrays to represent multiplication.</b></p> <p>In today's session we are looking at arrays. We are discussing how we can use arrays to represent multiplication.</p> <p>Work through the PowerPoint then complete the activities.</p> <p><u>Activity one:</u> Complete the practical worksheet. Matching the repeated addition to the correct array.</p> <p><u>Activity two:</u> Complete the worksheet. Choose the level you are most comfortable with.</p>	<p><b>LO: To use my knowledge of repeated addition to create multiplication sentences.</b></p> <p>In today's session we are focusing on creating multiplication sentences using the symbol 'x'.</p> <p>Work your way through the PowerPoint, then complete the activities.</p> <p><u>Activity one:</u> Write your own repeated addition, array and multiplication sentence. For example, <math>2+2+2+2 = 8</math>, <math>4 \times 2=8</math> and then an array to show it. Can you do at least one for the two times tables, 5 times tables and ten times tables.</p> <p><u>Activity two:</u> Complete the worksheet. Choose the level you are most comfortable with.</p>	<p><b>LO: To recap my knowledge of my two-, five- and ten-times tables.</b></p> <p>In today's session we are looking at our two, five and ten times tables and multiplying by these numbers.</p> <p>Work through the PowerPoint then complete the activities.</p> <p><u>Activity one:</u> Complete the worksheets. Choose the level you are most comfortable with.</p> <p><u>Activity two:</u> Have a go at the times tables wordsearch.</p>	<p><b>Please complete set tasks on Mathletics.</b></p>
Please submit your work through Tapestry.
