Harvest

(Christianity)

twinkl

Aim

I can explain why harvest is important to Christians.

Success Criteria

- I can tell you what is celebrated at harvest time.
- I can tell you how harvest is celebrated by Christians.

Harvesting Food

Can you name any of these fruits and vegetables?

apples

blackberries

broccoli

carrots

cauliflower

cherries

cucumbers

garlic

grapes

melons

onions

oranges

peas

pears

potatoes

raspberries

strawberries

corn

Do you know how they are harvested?

What Is Harvesting?

Harvesting is the process of gathering in crops.

Harvest time is the period of time which it takes to gather in all the crops.

Plants and crops are planted in the spring, they grow bigger over the summer and are ripened by the sun. By autumn, the food is ready to be harvested. Most Harvest Festivals take place in September or October.

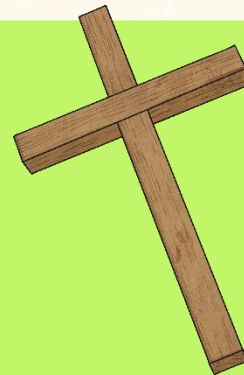

Why Is Harvest Celebrated?

Christians believe that God created the world and everything in it.

During harvest time Christians thank God for all the food which has been safely harvested. They also thank God for everything which has helped the food to grow.

Harvest Festivals

Christians celebrate the harvest by going to Church and taking part in a Harvest Festival. Some schools also hold Harvest Festivals.

During a Harvest Festival Christians thank God for the safe harvest of the food.

Christians take fruit and vegetable gifts to the service and sing harvest hymns. All the food collected then gets given to those in need of it.

Harvest

★

Harvest

I can explain why harvest is important to Christians.

Match the word and pictures to the correct sentences. The first one has been done.

I am cut down at harvest time, ground into flour and then made into bread and pasta.

blackberry

I am small and black and grow on bushes. I get picked and made into jams, pies and crumbles.

potato

I am dug out from underground. I can be made into chips and crisps.

apple

I can grow in your garden. I'm usually red, but sometimes I can be yellow, orange and green.

wheat

I grow on trees and get picked at harvest time. I can be eaten raw or cooked in crumble or pie.

tomato
