

# Your Country Needs You ... but for what?

**LO1 Discover :** the meaning of propaganda **LO2 Explore :** different types of propaganda and how propaganda works **Skills :** empathy and creativity.

When the war began there was much celebration in Europe as men queued to join the army. Most people believed they would be “Home by Christmas”, but they were wrong. As the war dragged on beyond Christmas and the news of the horrible conditions in the trenches reached home, men became less and less willing to join the army. To try and solve this problem governments used clever types of propaganda to try and persuade people to enlist ( join up ).
