

Tooth Decay Reporting

Look at the observations you made on your **Tooth Decay Recording Activity Sheet** and complete the following:

Was your prediction correct? _____

Conclusion (Write here what you found from your observations, what effect the drink(s) had and what you have learnt from the enquiry/test.)

What further predictions can you make as a result of your findings?

What questions do you still need to ask or could ask to conduct another enquiry/test on drinks and tooth decay?

What would you do differently next time?
