

# Types and Functions of Teeth

Look at the picture and complete the key below. Then label the types of teeth and write their function underneath.

The diagram shows a human mouth with teeth color-coded as follows: Incisors (orange), Canines (blue), Premolars (green), Molars (yellow), and Wisdom Teeth (purple).

|                |
|----------------|
| Name of tooth: |
| Function:      |

|                |
|----------------|
| Name of tooth: |
| Function:      |

|                |
|----------------|
| Name of tooth: |
| Function:      |

|                |
|----------------|
| Name of tooth: |
| Function:      |

|                |
