

Year 1 Other Subjects Week Commencing 7th June 2021

Religious Education

L.O: To begin to suggest the meaning of 'The Good Samaritan'.

The story of 'The good samaritan' to read has been assigned to you on Discovery education, remember to log into your account to see.

Have a chat with a grown up about these questions:

- Was it nice for the priest and the important church person to ignore the poor man?
 - What did the Samaritan do to help the man?
 - What did you learn from the story?

Send in a video to your class teacher of you explain your answers to the questions.

Coding

This week we are continuing to add instructions, we are completing the activity 'The hungry Migbod'.

(Remember to log in to view assigned activities, all of Mars Class logins are in their Reading Journal and on our class page)

This lesson has been assigned to your account.

Topic

LO: To compare the role of nurses in different historical periods.

Remind yourself of Mary Seacole and Florence Nightingale using this link:

Using full sentences compare how nurses past and present treated patients differently.

e.g. Florence Nightingale was the first nurse to train other nurses how to treat patients, now present day nurses have to train for a long time to do their job.

Music

LO: Physicalising pulse in different ways.

Follow the lesson on Oak National Academy and learn how sound patterns fit into a pulse.

[Physicalising pulse in different ways \(thenational.academy\)](https://www.thenational.academy/physicalising-pulse-in-different-ways)

Please send your learning to your class teacher on tapestry.
