

Year 5 and 6 Home Learning for Week Commencing 13th December 2021

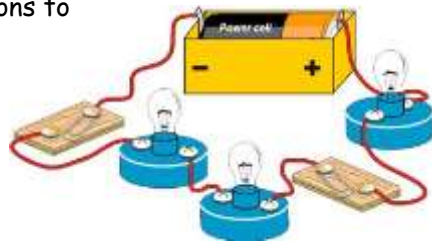

Science:

LO: To share your understanding of electricity

Look back the previous remote learning activities (especially the PowerPoint presentations). This week, your task is to create a fact poster sharing your knowledge based on electricity.

Be as creative as possible. Try to include:

- scientific facts
- pictures or diagrams
- 'fun facts'
- examples of experiments or investigations to gain more knowledge on electricity

Topic:

LO: To use independent research to answer my inquisitor questions.
(You can also choose to research some of these questions).

How old is the oldest building in Kimbolton/ Great Staughton?
Have there been any archaeological discoveries in the local area?

How do people earn money in Kimbolton/ Great Staughton?
What is the total population of Kimbolton/ Great Staughton?

Have any famous inventors lived in the local area?
What species of wildlife are native to Kimbolton/ Great Staughton?

What religions do people practice in the local area?
How many people go to the Church?

Christmas Education Activities

Complete the Christmas Activity Booklet.
Check your work with the answer booklet.

RRSA

Article of the Week:

Freedom of thought, belief and religion

Go through the RRSA PowerPoint and complete your chosen primary school activities.
Bring your work into school, so we can add your contribution to the whole school portfolio for rights respecting schools.

PE

Complete a Joe Wicks' 30 minute workout.

Bonus activity

Complete your next task on Espresso Coding.
