

## European Day of Languages

European Day of Languages was on the 26<sup>th</sup> of September. To celebrate, see if you can teach yourself the Meet and Greet song in French!

Find out some interesting facts about France in the France Introduction PowerPoint too.

## Science

**LO: To notice that animals, including humans, have offspring which grow into adults.**

In this session we are exploring animals as babies and as adults.

Choose either a mammal, bird, amphibian, or reptile and complete the worksheet. Can you write a description of how the animal grows?

## RE

**LO: To understand and summarize one of Jesus' parables.**

In this session, we are looking at some of the parables that Jesus told and thinking about why he might have told them.

Choose one of the four parables and answer the comprehension questions. Then write a short summary of the parable.

N.B. You may need an adult to help with the trickier language.

## PE

Complete a Joe Wicks 30 minute workout on YouTube.

## Computing

Complete the refresher level 1-2 on Espresso Coding.

Once you have completed this move on to the Stepping Through Space lesson.

[Discovery Education - Discovery Education - Coding - Block coding - Learn](#)

## Comprehension

Read a book from home or your reading book.

Using the comprehension bookmark, answer questions about the book you have chosen to read.
