

YR2 Oak/Jupiter Class Home Learning Week Commencing 10th January 2022

Geography

LO: To use an atlas to find places in the UK.

Use the PowerPoint to learn about how to use an atlas, focusing on the index at the back of the book. Then, choose either the 1 or 2 star sheet that matches your understanding and use an atlas to find each location. Write the page number of each location on your chart.

ICT

LO: To create a PowerPoint about Stonehenge.

This week we are finishing our PowerPoints about Stonehenge and presenting them to the class. Can you record yourself presenting your PowerPoint from last week or read some facts that you have researched to share with the class.

Science

LO: To identify and name a variety of everyday materials.

Can you remember which everyday materials you learnt about in Year 1?

Work your way through the PowerPoint, then using either objects in your home or the photographs, can you notice and identify different materials that are being used. Do some objects have more than one material used, if so which ones?

Comprehension

Read a book from home or your reading book.

Using the comprehension bookmark, answer questions about the book you have chosen to read.

PE

Complete a Joe Wicks 30-minute workout.

Music

LO: To practice the notes F, G and C on the recorder.

For our new song on Charanga, 'I Wanna Play In A Band', we will be using the notes F, G and C.

Use the PDF diagram to practice playing these notes and get used to the finger positions.
