

Rainbow Challenges: EYFS & Year 1

Home Learning Ideas: WC 04.05.20

Spring 2	Area of provision and activity - EYFS	Spring 2	Area of provision and activity - Year 1
Red	Writing: Go on a word hunt! Get yourself a pencil and paper and explore your home and garden making a list of any words that you find. If there are any you are unsure of ask a grown up to help you find out what they mean.	Red	Writing: Go on a word hunt! Get yourself a pencil and paper and explore your home and garden making a list of any words that you find. If there are any you are unsure of ask a grown up to help you find out what they mean using a dictionary.
Blue	Maths: Using items in your home (such as counters, toy cars, pasta, stones) explore how many different ways you can make 10. E.g. 7+3=10. Can you write the number sentences?	Blue	Maths: Using items in your home (such as counters, toy cars, pasta, stones) explore how many different ways you can make 10. E.g. 7+3=10. Can you write the number sentences?
Orange	Art / DT: Can you make a simple sock puppet? Think about what your character might look like, what can you use in your home to make your puppet as crazy as possible? Maybe you could make a puppet family?	Orange	Art / DT: Can you make a simple sock puppet? Think about what your character might look like, what can you use in your home to make your puppet as crazy as possible? Maybe you could make a puppet family?
Green	Technology: If you have a keyboard at home, whether that is on an iPad, phone or computer, practise typing your name or a simple sentence.	Green	Computing: If you have a keyboard at home, whether that is on an iPad, phone or computer, practise typing your name or a simple sentence.
Yellow	Phonics: Be a digraph detective! Choose a book and make a list of all the different digraphs you can find and the words you found them in. If you have a magnifying glass, you could use it to help you with your detective skills!	Yellow	Phonics: Be a digraph detective! Choose a book and make a list of all the different digraphs you can find and the words you found them in. If you have a magnifying glass, you could use it to help you with your detective skills!
Purple	Outside (Physical Development): Set up a simple obstacle course for dribbling balls around. Try your course with different sized balls, which sized ball is easier or more difficult? Why do you think this is?	Purple	Outside (Physical Development): Set up a simple obstacle course for dribbling balls around. Try your course with different sized balls, which sized ball is easier or more difficult? Why do you think this is?
BONUS SPARKLY STAR	Funky Fingers: If you have any spaghetti, ask a grown up to cook some up. Once it's cool pop it in a bowl and explore with your hands! You could try cutting it up with scissors too!	BONUS SPARKLY STAR	Funky Fingers: If you have any spaghetti, ask a grown up to cook some up.
