

## Homework due 27.9.21

In art we have been exploring primary colours and created self-portraits in the style of Pablo Picasso. For your homework can you create a portrait of someone in **your family** in the style of Pablo Picasso.

You can use any materials you like: pens / pencils / paint / crayon / fabric as long as you only use **primary colours**.

You can create your artwork in your homework book or may choose to use a separate piece of paper. Please make sure you artworks are in your homework book so we can share during circle time next week.

Remember to have lots of fun!
