

## Reception Maths Week Commencing 1<sup>st</sup> February 2021

Monday	Tuesday	Wednesday	Thursday	Friday
<b>LO:</b> To recognise and compare if a number is 'bigger' or 'smaller'.	<b>LO:</b> To understand the position of numbers by using 'higher' and 'lower'.	<b>LO:</b> To count in 2s.	<b>LO:</b> To count objects in 2s.	<b>Recap/Review</b>
<b>Teaching input:</b> Watch Miss Kelly make towers to represent her numbers and work out which number is bigger and smaller.	<b>Teaching input:</b> Today Miss Kelly is using a number line to help her compare numbers. Can you work out the pattern with her? She will also reveal your activity for today.	<b>Teaching input:</b> Before today's lesson watch this: <a href="https://www.youtube.com/watch?v=JyCr0IgbYcI">https://www.youtube.com/watch?v=JyCr0IgbYcI</a> Watch Miss Kelly use the numberblocks to count in 2s and reveal your activity.	<b>Teaching input:</b> Today we are going to do some 'clever counting' to quickly find out how many objects there are. Practise with Miss Kelly before you try yourself.	<b>Teaching input:</b> <b>Helicopter Rescue game.</b>
<b>Activity:</b> Experiment making towers using the 2 different number of bricks to work out whether a number is bigger or smaller.  <b>Challenge:</b> Worksheet, use Mr Crocodile to eat the bigger numbers.	<b>Activity:</b> Use the number generator to reveal a number. Can you write down a higher and lower number? After check on a number line to see if you got it correct.	<b>Activity:</b> Practise singing the 2s song. If you get stuck use your fingers to help you what the next number is.  <b>Challenge:</b> Can you fill the number line by counting in 2s.	<b>Activity:</b> Find objects around the house and group them in to 2s. Then video yourself doing your 'clever counting' to count the objects. Don't worry if this takes a few practises!	<b>Activity:</b> Spend some time revising your number recognition with this game: <a href="https://www.topmarks.co.uk/learning-to-count/helicopter-rescue">https://www.topmarks.co.uk/learning-to-count/helicopter-rescue</a> Choose the level you feel comfortable with. Remember you can use any resources to help you.
