LO: To sequence main events in a story.

Use the pictures and captions to
sequence the story of Zog.

Zog had to capture a princess but he wasn't good at it. "You can capture me" said Pearl.

All the dragons go to dragon school to learn how to capture a princess.

Zog and the doctors flew away whilst waving to the dragons. The End.

"I want to be a doctor" said Pearl. "So do I! Can you teach me?" asked the knight.

Zog hurts himself each year practising and every time a girl called Pearl helps him.

Then, a knight appeared to save Princess Pearl. But Pearl didn't want to be saved.
