Remember use your robot arms to help you sound words out! e.g. blue, nice, bright	Activity: Today we are going to write what Traction Man is saying to Scrubbing brush. Have a think before writing your sentence what he would say. Remember capital letters and full stops!	Activity: Have a refresh of the learning you did yesterday. What sentence could you write about Traction Man and Scrubbing Brush? Remember capital letters and full stops and use your traction Man mat to help.
