

Ash/Mars Reception Learning Grid Week Commencing 6th Decemer 2021

Lesson 1

L.O: To count and write numbers to 10.

Recap numbers to 10 and see if your child can put them in the correct order.

Task:

Put teddy's numbers in the correct order.

Lesson 2

L.O: To use concrete and pictorial representations to represent numbers to 10.

Watch todays video:

<https://www.youtube.com/watch?v=IAQ2HTqTl2w>

Task:

Did you notice the different ways you can represent numbers, using dots, lines, using your fingers, using objects? With a grown up see how many different representations you can think to show the number 10.

Lesson 3

L.O: To recognise and count forwards and backwards to 20.

Watch todays lesson video:
