(Use the same login for teach your monster to read.) https://www.teachyourmonster.org/numberskills
Task: With a dice and a grown up play the one more and one less activity.	Task: Can you match the tens frames to the correct numeral?	Task: Complete the rainbow to understand which numbers we can add together to make 10.	Task: Using 20 objects split into 2 piles and write underneath how many objects are in each pile. See how many different combinations you can make?	Task: Today spend time completing Teach your monster number skills .
