### Lesson 2

L.O: To count one less from a group of objects.

Take a look at today's lesson video:

<https://classroom.thenational.academy/lessons/exploring-one-less-within-10-cqtk0c>

### Lesson 3

L.O: To count one less from a given number.

Task:

Draw a 0-10 number line on the floor outside using chalks. Stand on 0. Ask a grown up to say a number and then jump to that number. Can you work out what is one less? Move to that number and say it out loud.

### Lesson 4

L.O: To count one less from a given number.

There are lots of songs you can sing to help you remember one less than each number.

You can sing:

10 green bottles, 10 little men in a flying saucer or 5 little speckled frogs. Have a go at singing them.
