Aladdin Trouble Costumes

Please find below a list of what we need you to provide for your costume. All other items are being provided by school. Remember to look at the requirements for all the parts you are playing!

If no shoes are required as part of your costume we would like you to have bare feet. If shoes are needed as part of your costume, please make sure they are soft soled.

Your costume needs to be put in a bag and left in school until after the play is over, with the exception of any shoes which you need for school or extra curricular activities.

Please name your bag on the outside so that it is easy to tell which bag belongs to which person.
