

Our child is in the largest children's concert series in the world...

Book your tickets early through the school to secure the best seats as all concerts will be sold out! This year's programme is very exciting and we want you and all the children to enjoy a fantastic evening.

## POP MEDLEY 2018

### I LOVE MY LIFE

Tether your soul to me  
I will never let go completely.  
One day your hands will be  
strong enough to hold me.  
I might not be there for all your battles,  
but you'll win them eventually.  
I pray that I'm giving you all that matters  
so one day you'll say to me  
I love my life.  
I am powerful, I am beautiful, I am free  
I love my life  
I am wonderful, I am magical, I am me,  
I love my life.

### HUMAN

Maybe I'm foolish, Maybe I'm blind  
Keep thinking I can see through this  
and see what's behind.  
Got no way to prove it so maybe I'm lyin'  
But I'm only human after all,  
I'm only human after all,  
Don't put your blame on me  
Don't put the blame on me.

Take a look in the mirror,  
what do you see  
Do you see it clearer or are you deceived  
in what you believe  
'Cos I'm only human after all,  
You're only human after all,  
Don't put your blame on me  
Don't put your blame on me.

Some people got the real problems  
Some people out of luck.  
Some people think I can solve them  
Lord heavens above!  
I'm only human after all,  
You're only human after all,  
Don't put the blame on me  
Don't put the blame on me.

### PLAY THAT SONG

Hey Mister D. J. When you gonna spin it  
my baby's favourite record she's been waiting for  
a minute  
She invited all her friends and I'm buying all the  
rounds,  
and they're all dolled up D. J. please dont let me  
down  
When you gonna play that song?  
When you gonna earn that pay  
When you gonna play that song and make my  
day  
She said Play that song.  
The one that makes me dance all night long,  
The one that makes me think of you.  
That's all you gotta do eh eh eh  
Play that song.  
The one that makes me stay up till dawn,  
The one that makes me go "ooh"  
That's all you gotta do

## HEROES

We go hideaway in daylight.  
We go undercover when under sun.  
Got a secret side in plain sight.  
Where the streets are empty that's where we run.  
Everyday people do everyday things,  
but I can't be one of them.  
I know you hear me now,  
We are a different kind,  
We can do anything.  
We could be heroes  
We could be heroes Me and you  
We could be heroes  
We could be heroes Me and you  
We could be

## CASTLE ON THE HILL

When I was six years old I broke my leg  
I was running from my brother and his friends.  
And tasted the sweet perfume of the mountain  
grass as I rolled down.  
I was younger then. Take me back to when.  
I found my heart and broke it here,  
made friends and lost them though the years.  
And I've not seen the roaring fields in so long n' I  
know I've come.  
And I can't wait to go home.

I'm on my way.  
Driving at Ninety down those country lanes.  
Singing to Tiny Dancer and I miss the way you  
make me feel it's real.  
And we watched the sunset over the castle on  
the hill  
Oh over the castle on the hill Oh over the castle  
on the hill
