

## News from Saturn Class 11 December 2015

### What we have been up to

We have been very busy in Saturn this fortnight with our usual hard work punctuated with festivities. Year 6 read beautifully at the Christingle service and children from all years were involved in the carol concert as both singers and readers. In maths we have been looking at charts, graphs and coordinates and have used coordinates to draw festive pictures. In science we finished our light topic by looking at reflection and refraction using mirrors to make a periscope and water to make images disappear.

### Year 6 English Competition

Thursday saw the final of the Cambridgeshire English Challenge. Our group of year 6 children worked really hard and although we did miss out on a top 3 slot, we are very proud of them.

### School Uniform

A gentle reminder that correct school uniform must be worn during the school day including suitable shoes (not trainers or canvas shoes). Girls must wear trousers, skirt or pinafore – leggings are not considered school uniform. For more information, please see the guidance on the website.
