

## News from Saturn Class

### 13 November 2015

#### What we have been up to

On Tuesday we spent the day learning about Diwali. The children made balfi (a traditional Indian sweet) and tried mango lassi (a drink made with yogurt). They also made shadow puppets to tell the story of Diwali and drew some Rangoli patterns.

In maths we have been looking at area and perimeter and some of the children have been calculating the area of their initials!

In English we have been looking at poetry and have written some limericks using hyphens to change the meaning of the sentence.

#### A Table-turning Limerick

There once was a cat-eating  
fish,  
Who had cat on a dish,  
But one day,  
His luck ran away,  
Now there's a cat eating fish.

By Tara and Lauren

#### A word about the weather

As winter has finally arrived, can we ask that all children have coats and wellies in school as we will still be going outside in lessons and at break and lunchtimes – even in light rain!

Hot-seating for English –  
thanks PTA for our stools!!

Best wishes,  
Mrs Naylor
