

Science

**LO:** to record what I know about weather and the seasons.

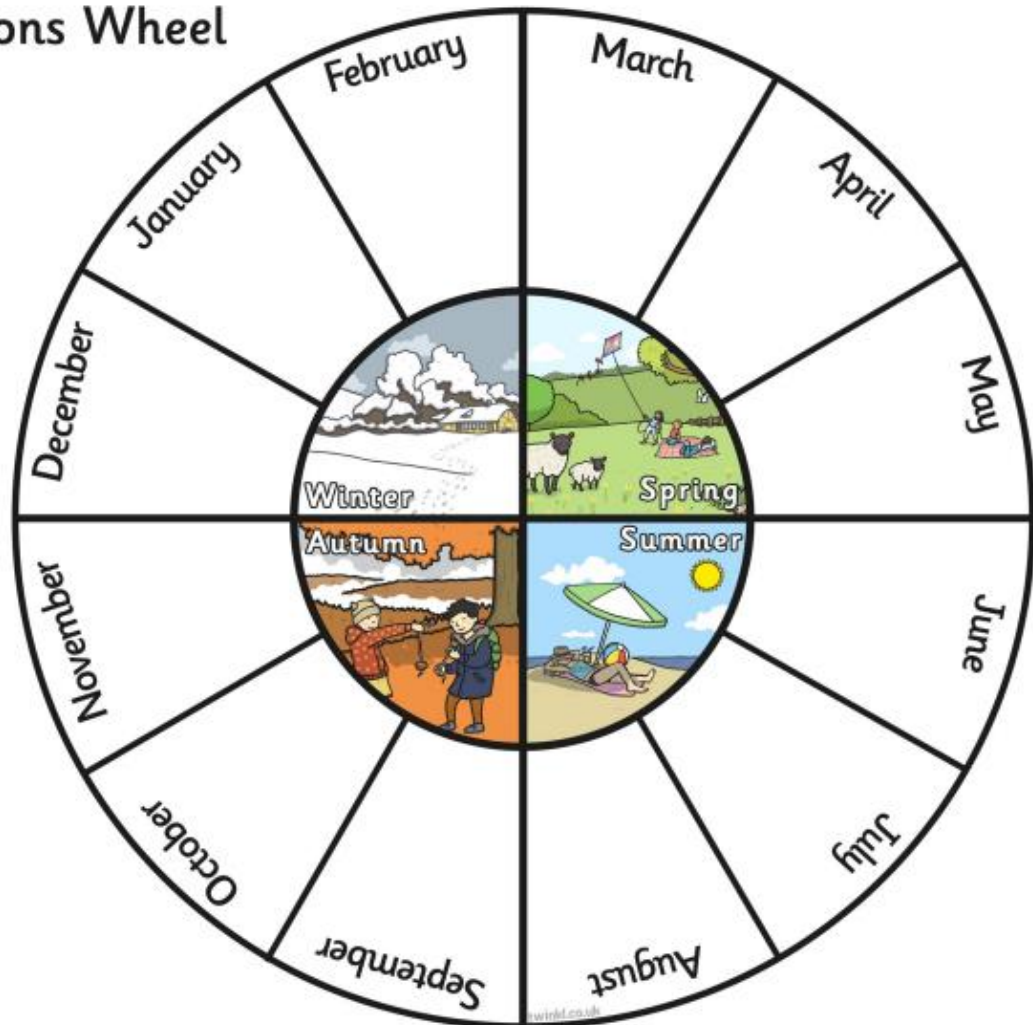

**Must:** name the 4 seasons.

**Should:** suggest the weather associated with each season.

**Could:** write about the months for each seasons.

# Recap

Four Seasons Wheel

# Spring

Discuss:

What are the signs of Spring?

What is the weather like in the Spring?

What months are in Spring?

What might you need to wear in Spring?

Are there any special celebrations in Spring?

# Summer

Discuss:

What are the signs of Summer?

What is the weather like in the Summer?

What months are in Summer?

What might you need to wear in Summer?

Are there any special celebrations in Summer?

# Autumn

Discuss:

What are the signs of Autumn?

What is the weather like in the Autumn?

What months are in Autumn?

What might you need to wear in Autumn?

Are there any special celebrations in Autumn?

# Winter

Discuss:

What are the signs of Winter?

What is the weather like in the Winter?

What months are in Winter?

What might you need to wear in Winter?

Are there any special celebrations in Winter?

Task: Record what you know about each season in the grid. You can be as creative as you want. Draw pictures. Write bullet points. Write in full sentences. Add photos. This is your chance to show off what you know!

|        |        |
|--------|--------|
| Spring | Summer |
| Autumn | Winter |

## Reflection:

Share your poster with someone else. What did you find out? Is there anything you could add to your poster?
