Extension:

Many root words originally came from other languages.

portare is Latin for to carry, which has given us
porter, portable and **report**

Use a dictionary to help you discover words that have started from these roots. List them in your book.

- 1 decima (Latin for a tenth)
- 2 mikros (Greek for small)
- 3 ge (Greek for earth)
- 4 phone (Greek for sound)
- 5 scribere (Latin for to write)
- 6 navis (Latin for ship)
