## Home Learning Week Commencing 11<sup>th</sup> October 2021

### Literacy

Watch the story Owl Babies by Martin Waddell.

<https://www.youtube.com/watch?v=bXP66T2wp-k>

What do you like about the story? Can you describe your favourite part?

### Maths

This week we are exploring matching! With your grown up see if you can match up all the shoes in your house! What is the same about the shoes? What is different?

### Communication & Language

Choose some nursery rhymes you like and sing them with your grown up. Can you add any actions to the songs?

### Personal, Emotional & Social Development

Have another watch of the Owl Babies story.

How do you think Sarah, Percy and Bill are feeling? What might change how they feel?

Can you draw a picture showing their feelings when their mummy returns?

### Understanding the World

This week we are learning about different occupations. Talk with your grown up about different jobs e.g. teacher, lorry driver, police officer, fire fighter, doctor, vet and so on. What would you like to be when you grow up? Why? Draw a picture of you in that job!

### Physical Development

Find a ball, balloon, beanbag, or anything you can safely throw or roll. Go into the garden and explore different ways of rolling and throwing your chosen object. How far can you make it go by rolling it? How far can you make it go by throwing it?

With help from your grown up make some targets to put around your garden. Can you roll or throw your object to hit the target?

### Expressive Arts & Design

This week our rhyme of the week is Incy, Wincy, Spider! Can you sing the song and make a spider picture?

Please see the home learning activities your child should complete if they are not attending school. Each activity relates to a different area of learning and mirrors what we will be covering in class. Each activity should be short, snappy and lots of fun!
