

Home Learning w/c 28th March 2022

Complete the activities below across the week.

Activity 1	Activity 2	Activity 3
Create an Easter bonnet! Think carefully about your design and what you might include to create an 'easter' or spring themed hat. 	Create a poster about our topic Exciting Explorers. Think carefully about what you have learnt this term. You might include some of the following: <i>Names of continents, names of UK countries and capital cities, key explorers studied eg Neil Armstrong, Tim Peake, Christopher Columbus.</i>	RE Watch this video about the Easter story. Create a storyboard to record the key events. Use the template to help you. https://www.youtube.com/watch?v=Wnbo2AmS3OI
Activity 4	Activity 5	Activity 6
Science Watch this video about the frog life cycle. Can you remember each of the stages? Complete the life cycle activity sheet. https://www.youtube.com/watch?v=qjhK3H3N6jo 	English Complete the exciting writing task. Remember to use your best handwriting and read your work back to check it makes sense.	Maths Spend 30 minutes on Mathletics. Chose 3 activities you feel least confident with to revisit.
