

RE - Hinduism

For one of our RE days, we are looking at Hinduism as it is one of the main religions in India.

Our enquiry question is 'What is Hinduism?' Can you find out some information about:

- Main beliefs of Hinduism
- Key Hindu gods
- Hindu symbols

You can present this information as a poster or a PowerPoint.

RE - Sikhism

This half term, we are looking at Sikhism as it is one of the main religions in India. Our enquiry question is 'What makes Sikhs special?' Can you find out some information about:

- Guru Nanak and how Sikhism was founded
- Main beliefs of Sikhism
- Sikh symbols

You can present this information as a poster or a PowerPoint.

Topic - Art

Look at the attached PowerPoint about painted elephants in India. Looking at the examples and template given, can you design a painted elephant? If you want to challenge yourself, use the link on the ppt to show you how to draw your own elephant. You can use coloured pens and pencils that you have at home if you do not have paint to complete your design.

Topic - Geography

Look at the attached PowerPoint about the geographical set up of India. Looking at the information about the capital cities and finding India on a map, can you complete the map worksheet?

Then look at the slides about Urban and Rural India. Can you write some key differences between the two?

Maths

- Next week we are looking at division of the 2,5,10 times tables (YR2) and the 2, 4 and 8 times tables (YR3). We can divide numbers by splitting them into equal groups. Can you practice these times tables and division on TT Rockstars?
- Complete set tasks on Mathletics/ Mathswizz/

PE

See if you can follow Joe Wicks in his Active 8-minute Workout

<https://youtu.be/uqLNxJe4L2I>

Practice your football skills with a focus on kicking. Which part of your foot is most effective for hitting the ball? Can you kick the ball better with your left foot or your right? What helps you to kick the ball straight?
