

Making Your Writing Sparkle Year 1 and 2

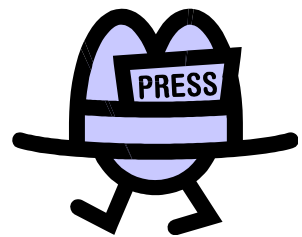

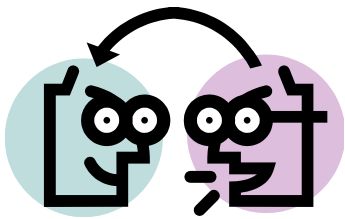

Let your title tell people what you are writing about

To begin:

Tell people what you are going to write about.

Are you explaining how something **or** why something happened?

Think about the order you are going to say things.

- Will a picture or a diagram help to explain your work?
- Can you think of one interesting piece of information to put in your writing?
- Do you need to use a question mark **?** or exclamation mark **!**

Use these words in your writing

Then

Next

Later

After

Use these words to join your sentences

because

so

Read your work and check you have explained it well!
