

1.02.21

L.O: To compare groups using language such as 'more than', 'less than' and 'equal to'.

Complete the comparisons.

Sue and Ben each have some pencils. Who has the most pencils? < > _____ has more pencils.	Sue	Ben

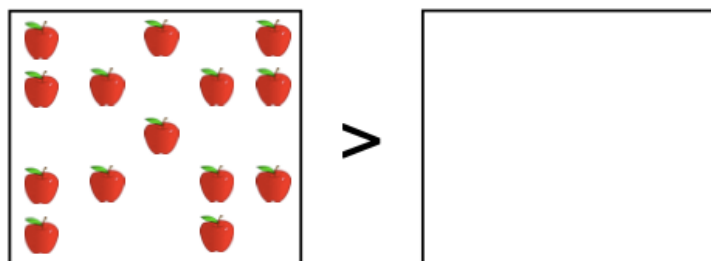

Mo and Asha each have some sweets. Who has the most sweets? < > _____ has more sweets.	Mo	Asha

Complete the table using < , > or = to compare, then write a sentence using **more than**, **less than** or **equal to**.

e.g. 4 is less than 13.

Challenge Cards

Complete the comparison to make it true.

How many different ways can you find?

Spot and explain the mistake.
