LO: To identify and use repetitive phrases.

Circle the repetitive phrases:

This is the sea,
So wild and free.
That carried the whale,
And the tiny snail
On the tail of the whale.

This is the sky,
So vast and high.
With zig zag lightening,
Flashing and frightening
The tiny snail
On the tail of the whale.

Now using the repeated phrases you have found, make your own repetitive sentences. Use your adjective mat to help you.
