

Year 1 English Home Learning Week Commencing 7th March 2022

This week is assessment week and therefore we are recapping some key skills.

Activity 1	Activity 2	Activity 3
Tricky Words! Practise reading all your tricky words by making them into a pairs game. Use the template in resources. Take turns to turn over 2 cards. Then read both words. If they match you keep the cards and get 2 points!	Read in a silly place! Choose your favourite book and find somewhere strange to read it! Challenge: Write a short book review. Why is that book your favorite? Who are the characters? What happens in the story? Record your ideas using full sentences.	Nursery rhymes! Choose a new nursery rhyme and learn it off by heart. Choose one you haven't heard before from the resources. Discuss what makes a good performance. Then perform your nursery rhyme to someone else.
Activity 4	Activity 5	
Exciting Writing! Complete the exciting writing activity using the template. Write a set of instructions for making your favourite food. Eg a sandwich, a chocolate cake etc. Challenge: can you include some time connectives? Eg first, next, then, finally.	Fast phonics! Use the phonics flashcards in your phonics pack to recap your phonics sounds. Sort them into a pile that you know well and a pile you need to recap. Review the sounds you don't know as well and use them to play splat! Lay them out and when an adult says a sound splat it with a fly swot or a spatula!
