

Ash/Mars Year 1 Learning Grid Week Commencing 6th December 2021

Lesson 1

L.O: To count, read and write numbers to 20.

Watch today's lesson video:

<https://classroom.thenationalacademy/lessons/to-identify-numbers-to-20-by-counting-ten-and-then-counting-on-6wtkgc>

Task:

Match the numerals to the word numbers.

Lesson 2

L.O: To use concrete and pictorial representations to represent numbers to 20.

Watch today's lesson video:

<https://classroom.thenationalacademy/lessons/to-count-from-1-to-19-and-match-pictorial-and-abstract-representations-of-these-numbers-chgkjt>

Task:

Pick a number between 11 and 20 and draw as many representations of the number on your paper.

Lesson 3

L.O: To partition teen numbers into tens and ones.

Take a look at today's presentation, modelling how to partition teen numbers.

Task:

Choose the worksheet your child feels most comfortable with. Complete the table of tens and ones.

Consolidation task:

Helicopter rescue direct numbers to 20.
