

Ash/Mars Year 1 Learning Grid Week Commencing 1st November 2021

Lesson 1

L.O: To add two single digit numbers together.

Take a look at the presentation, we are exploring addition within 10. Have a look at the different representations of number sentences on the presentation.

Task:

Independently complete the worksheet your child feels most comfortable with.
Using the tens frames to support their counting.

Lesson 2

L.O: To add more to a single digit number.

Take a look at the presentation, we are going to be doing some quick maths today. We are counting on from the number.

Task:

With your grown up take it in turns to work out each calculation. Each choose a colour to colour in the square you complete.

Lesson 3

L.O: To add more to a single digit number.

Take a look at the presentation, we are continuing to count on when completing addition sums.

Task:

Independently complete the worksheet your child feels most comfortable with.

Challenge

Have a go at completing the mastery cards on counting more to 10.

Mathletics

Please complete the assigned tasks on mathletics.

These will be set every **Monday** due **Sunday**.

Challenge

Hit the button: addition to 10.
