

Year 1 Maths Week Commencing 14th June 2021

Lesson 1	Lesson 2	Lesson 3	Mathletics
L.O: To describe turns.	L.O: To describe the position.	L.O: To write directions using positional language.	
Input: Follow the presentation. Today we are looking at describing turns.	Input: Follow the presentation. Watch this video: Where's the Monkey? - YouTube What positional language can you hear?	Input: Follow the presentation. Today we are going to use beebots and direct them to the treasure.	Input: Spend an hour completing mathletics.
Activity: Something easier: Colour in the correct shape after it has been turned. You can use shapes to help you. Something harder: Draw the shapes once they have been turned.	Activity: Read the instructions and add items to the drawing of the house. Choose which worksheet your child feels more comfortable with.	Activity: Guide the beebot to the x on your map, don't forget to grab the treasure map. In the boxes below write the directions. Virtual beebot: Bee-Bot Online (terrapiinlogo.com)	Activity: Suggestion: Properties of shape and position
