

India.

India, which is located in South Asia, is the seventh largest country in the world. It has a population of more than one billion people making it the second largest populated country in the world, after China. The capital city of India is New Delhi, and the currency used is Rupee. If you look carefully at the map, you will see that India has a number of bordering countries, including: Pakistan, China, Nepal, Bhutan, Bangladesh and Burma.

Taj Mahal

The Taj Mahal is India's most famous landmark and one of the wonders of the world. It is situated in a city called Agra which is in the north of India. The amazing monument stands on the banks of the Yamuna River and is surrounded by acres of gardens. The Taj Mahal was built in the 17th century under the orders of Emperor Shan Jahan. It took over 20,000 workmen around 21 years to build the impressive monument. The Taj Mahal is made from white marble stone. Today, the Taj Mahal is a tourist attraction and millions of people come from all over the world to visit it every year.
