

## Year 4 Maths Week Commencing 21<sup>st</sup> February 2022

Monday 21.02.2022	Tuesday 22.02.2022	Wednesday 23.02.2022	Thursday 24.02.2022	Friday 25.02.2022
<p style="text-align: center;"><b>Multiplication Activities</b></p>  <p style="text-align: center;"><a href="http://ttrockstars.com">Times Tables Rock Stars: Play (ttrockstars.com)</a></p>  <p style="text-align: center;"><a href="http://topmarks.co.uk">Hit the Button - Quick fire maths practise for 6-11 year olds (topmarks.co.uk)</a></p>	<p style="text-align: center;">LO: To consolidate written methods for addition and subtraction</p> <p>This is a consolidation lesson for addition and subtraction. You should be aware of different written methods that include:</p> <ul style="list-style-type: none"> <li>- Number lines</li> <li>- Partitioning</li> <li>- Column (short) method</li> <li>- Column (long) method</li> </ul> <p>You should also know that addition and subtraction are inverse operations.</p> <p>Watch revision (archive) videos for reminder of written methods: GSPA: <a href="#">Addition</a> (from website) GSPA: <a href="#">Subtraction</a> (from website)</p> <p>KPA: <a href="#">Addition</a> (from website) KPA: <a href="#">Subtraction</a> (from website)</p> <p><b>Activity/Resources:</b></p> <p>Complete a range of questions from both worksheets based on addition and subtraction</p>	<p style="text-align: center;">LO: To consolidate written methods for multiplication and division</p> <p>This is a consolidation lesson for multiplication and division. You should be aware of different methods that include:</p> <ul style="list-style-type: none"> <li>- Known times tables</li> <li>- Partitioning</li> <li>- Column method (expanded)</li> <li>- Column method (compact)</li> </ul> <p>Use the suggested written method at the top of the worksheet if you are struggling with your preferred method to complete multiplication and division calculations.</p> <p><b>Activity/Resources:</b></p> <p>Complete a range of questions from both worksheets based on multiplication and division.</p>	<p style="text-align: center;">LO: To calculate worded problems using all four number operations</p> <p>Today, you will be reflecting on your learning for all four number operations. These are:</p> <ul style="list-style-type: none"> <li>- Addition</li> <li>- Subtraction</li> <li>- Multiplication</li> <li>- Division</li> </ul> <p>You will work through worded problems where you have to decide which operation is needed to work out the answer. Use jottings to help calculate your answers.</p> <p><b>Activity/Resources:</b></p> <p>Complete differentiated worksheet. Check your answers with a calculator.</p>	<p style="text-align: center;"><b>Maths Whizz</b></p> <p style="text-align: center;"><b>60 minutes</b></p>  <p style="text-align: center;"><b>Maths-Whizz®</b> Brought to you by Whizz Education</p> <p style="text-align: center;"><a href="#">Login   Maths-Whizz</a></p>

Please use Tapestry to upload completed work. If you do not use Tapestry, please email to school office.
