Frequently Asked Questions

Do I need to complete all of the activities?

Parents can choose the activities they think will work best for their child or children, or they can allow pupils to choose which activities they complete and when.

Should I mark my child's work?

You don't need to give formal marking, but it is always helpful to chat and give feedback! You could ask them:

"What went well?"

"How could you make it even better?"

"What would you do differently next time?"

What if my child has already done this Espresso activity?

Some children may have logged in to try different activities already! If this happens, they can browse Espresso and find a different activity to try instead.

Where can I find online resources about the Easter story?

The BBC give a simple retelling here

What if I don't have a laptop or device available for my child?

Art: Without watching the video, talk about collage - where we stick materials to paper to create a picture. Talk about landscapes and show pictures in books if you can. Challenge them to create a collage landscape!

Topic: What information do I know about volcanoes? Can I locate volcanoes using an atlas? Can I find out from a friend more information? Complete a different task and wait for a device to become available.

PE: If they can't watch Joe Wicks, can they make up their own workout? Perhaps they can teach it to mum, dad, or a sibling!
