WB 3<sup>rd</sup> October

Year 6

This week's spellings focus is on adding suffixes to the end of root words  
e.g. hopeless and judgement.

|               | 1st Attempt | 2nd Attempt | 3rd Attempt |
|---------------|-------------|-------------|-------------|
| judge         |             |             |             |
| judging       |             |             |             |
| judgement     |             |             |             |
| care          |             |             |             |
| caring        |             |             |             |
| careless      |             |             |             |
| careful       |             |             |             |
| hope          |             |             |             |
| hoping        |             |             |             |
| hopeless      |             |             |             |
| hopeful       |             |             |             |
| cultivate     |             |             |             |
| cultivating   |             |             |             |
| cultivation   |             |             |             |
| combine       |             |             |             |
| combination   |             |             |             |
| argue         |             |             |             |
| arguing       |             |             |             |
| argument      |             |             |             |
| argumentative |             |             |             |
