## WB 16<sup>th</sup> October

Year 6

This week's spellings focus is on adding suffixes to the end of root words e.g. equipment and bountiful.

|           | 1st Attempt | 2nd Attempt | 3rd Attempt |
|-----------|-------------|-------------|-------------|
| marry     |             |             |             |
| married   |             |             |             |
| marriage  |             |             |             |
| equip     |             |             |             |
| equipped  |             |             |             |
| equipment |             |             |             |
| funny     |             |             |             |
| funnily   |             |             |             |
| funnier   |             |             |             |
| funniest  |             |             |             |
| funny     |             |             |             |
| bounty    |             |             |             |
| bountiful |             |             |             |
| skill     |             |             |             |
| skilled   |             |             |             |
| skilful   |             |             |             |
| ugly      |             |             |             |
| uglier    |             |             |             |
| ugliest   |             |             |             |
| ugliness  |             |             |             |
