6th January 2026

Dear Year 6 parents,

SATs Revision Guides

With just fourteen weeks of school remaining in which to prepare the children for their end of Key Stage 2 tests, we are very pleased to offer two opportunities for quality revision for all pupils.

1. The children will be provided with SAT Buster 10-minute test books for Reading, Maths and Grammar, Punctuation & Spelling. We will use these in spare pockets of time during the school day. These books must stay in school please.
2. We are also sending your child home with two revision guides – one for English and another for Maths, provided free of charge by the school. The revision book will be sent home next week and can be used to refresh memories. The second activity book will stay in school for a few weeks and then be sent home. At that point, it is expected that the children will start to work through the books in their own time. They may also be directed to them for homework activities. Please contact a member of staff should you have any questions – we are more than happy to help with any queries you may have.

The revision guides will prove most effective if used in conjunction with adult support so please help as much as you are able to. Please encourage your child to be responsible for their own revision and to ask for help if they need it. We hope that you will join us in trying to achieve the very best outcomes for our children by encouraging them to work hard over the coming weeks.

We will be holding an information session for parents, details of which will be sent out today.

If you have any questions, please do not hesitate to ask.

Yours sincerely,

Mrs Suzi Whiting
Executive Headteacher
